

SLAS Summer Enrichment Program at SLAS 2020

Join us at Shanghai Livingston American School for the 2020 Summer Enrichment Program! This year's summer program caters to students who seek academic enrichment, English and Chinese language learning, fun sports-based activities, introduction to technology, and high school credit courses. We will also be having a celebration of America's Independence Day on **July 3, 2020**.

Students enrolling in the Early Years and Primary, as well as secondary non-credit course (Excluding Violin Master Class) summer school have the option in participating in all 7 weeks of summer school or they may also choose to enroll in less than 7 weeks. Each week will build up on the previous week's content.

NOTICE: Due to the one day Dragon Boat Holiday during WEEK 2, High School Credit Course students will be allowed no absence during WEEK 2.

(Fees for Week 2 of the Summer Program will be reduced 20% due to the Dragon Boat holiday and no classes that day)

Primary Course Description

Afternoon Primary Program:

Arts and Crafts and Pottery: This course delves into your student’s creative and artistic side. Students will be in touch with their imaginative side making fantastic art and craft projects this summer!

Dance: Hip Hop and Contemporary.

Robotics (G3-G5): Conducted by **The Genius Workshop** using their cutting-edge equipment and advanced theory work, students get to explore the world of robotics by constructing and programming robots. Children will learn logical thinking and problem solving skills. Children will be encouraged to plan and complete projects and will gain an understanding of the importance of patience, planning, and organizational skills.

Engineering Workshop (K-G2): Conducted by **The Genius Workshop**, this course will teach children to use Lego and other tools to design and build working mechanical devices. The focus is on creativity and finding solutions to various challenges led by professional instructors.

Building English Fluency: This class will be a vocabulary and reading fluency building class focused on developing skills associated with reading. We will use an internet program called Head Sprouts to provide the students a fun experience to improve their reading. Students will be assigned a reading level when they enter and meet weekly one on one with the teacher to review skills and areas that need to be improved. This class provides individual learning for every student based on computer direct instruction and direct follow up from teacher.

Computer Fun: Join us for fun and learning with the computer. Students will learn to use KidPix 3D(an application for creating 3D content) and Microsoft Office. Students will learn how to create Excel, word documents and PowerPoint presentations. Students will create original 3D content. Education games will be used to teach typing skills.

Chess Academy: Conducted by the SCA Chess Academy, the program focuses on showing students that chess is both educational and entertaining. The SCA signature curriculum is divided into different levels of advancement to fit a wide range of ages and experience.

Sports: SLAS is equipped with a full functional track and field, soccer field, basketball courts, tennis court and play grounds.

Students will be able to engage in many fun activities and games such as soccer tournaments, Capture the Flag, Marco Polo, etc.

Mad Scientist: Sharpen your scientific investigative skills this summer through the Mad Scientist course! Join us for a summer filled with fun, hands-on science experiments from exploring colors through tie-dye, volcano eruptions, growing crystals and more.

Cooking: This is our most popular class at SLAS. This course introduces students to food preparation and storage as well as various cuisines from around the globe. This is truly a class where kids have fun and get to eat their creations.

Optional

Violin Master Class (Week 1 – Week 4): This class is designed for beginner students who want to learn how to play violin.

The class will help students to understand the right techniques that can be used to enhance performance when playing violins. Students are taught music theory, how to read sheet music and the right methods of applying theoretical knowledge during practical lessons.

Applications and Admissions

Our Summer Programs are open to students from nursery level (SLAS Tiniest) to those entering Grade 12. Admission to our Summer Programs is granted to students on a first-come, first-serve basis. Applications must be accompanied by all fees (tuition, lunch, bus, etc.) in order to process the application.

The Early Bird application deadline is May 8, 2020. Sign up by the early bird deadline for reduced tuition rates! Applications and fees must be submitted **on or before May 8, 2020 to receive early bird discounts.**

The standard application deadline is **June 5, 2020.** Applications for all students in all programs must be received by this deadline. Any application submitted after this time will only be accepted if space remains in the requested classes.

Tuitions, Fees and Refunds

Pricing for SLAS Summer Programs is on a per-course basis. Each course has a separate tuition, and students have the option of enrolling in a lunch program for an additional fee. Tuition includes any materials used in the classroom. Families will receive a 5% sibling discount if they have two or more students attending SLAS summer school.

Sibling Discount: There will be a 5% discount on tuition from the 2nd child who signs up from the same family.

SLAS students: SLAS students will receive a 20% discount from tuition. This discount may be applied on top of the sibling discount and the Early Bird discount. (High school credit courses are excluded from the special SLAS discount offer.)

Upper-grade students may be able to keep certain books as noted by the instructor at the end of the session. Lost or damaged school-owned books will need to be purchased by the student before certifications or grades can be released. Some classes may require textbook deposit.

The Summer Programs staff reserves the right to cancel or combine any courses that do not meet a minimum number of enrollments. Such decisions will be made no later than: **June 9, 2020.** Students enrolled in a class that is cancelled may either receive a full refund or may select another class or program.

No refunds in tuition or transportation fees will be given for withdrawal requests received after June 5, 2020. Students who enroll after the June 5, 2020 deadline will not be eligible for a refund. Lunch refunds will only be provided with a written notice at least one week prior. In the event of bad weather requiring the school to close, a refund will not be issued.
