# INTRODUCTION

Dear Students and Parents,

The faculty and staff here at Shanghai Livingston American School (SLAS) want to welcome you to the 2018-2019 school year! Education is a team effort and we know that students, parents, teachers and other staff members working together can make this a wonderfully successful year for our students.

The SLAS Code of Conduct and Student Handbook are designed to provide a resource of the basic information that you will need during the school year. The information contained in this handbook is meant to highlight items that are important to everyday procedures at our campus. We will continuously update the handbook when we see that certain topics affect the entire campus and need clarification. We invite your input.

Parents and students should pay particular attention to the SLAS Student Code of Conduct, intended to promote school safety and an atmosphere for learning. After reading through the entire handbook with your child, please continue to use it as a reference throughout the school year. If you have any questions about any material in the handbook, contact your child's teacher, counselor or principal.

## Student/Parent Acknowledgement Receipt Form

Please complete and return the required Student/Parent Acknowledgement form in the handbook to your child's wildcat teacher within five days.

We thank you in advance for your cooperation regarding the education and safety of your child.

**Welcome to the 2018-19 school year!**

Respectfully Yours,  
SLAS Administration and Faculty

## **ACADEMICS AND GUIDANCE**

The guidance counselor is available to help students with educational, personal, and career planning needs. Students may come to the guidance office before or after school, during lunch or with permission of a teacher, to request a conference with the counselor. Both students and their parents are encouraged to make contact with the counselor throughout the year. Information regarding career and educational opportunities, college admissions, financial aid, curriculum offerings, testing dates, and personal assistance is available.

It is the function and goal of the Guidance Department to help the student to reach his/her highest potential in school and help the student plan intelligently for his/her adult life.

### **Add/Drop Period**

The time frame for official add/drop is prior to the start of the beginning of the semester. Students who sign up for Advanced Placement courses have 5 class periods to drop the course. Students who have signed up for courses too hard may drop the class at the teachers' recommendation as long as this is done prior to the 3 class. The only exceptions are Students must obtain relevant forms from the Guidance Office, fill in the information and have the required parent's, teacher's, and Guidance Counselor's signatures. No adding or dropping of courses will be given after the deadline.

### **Graduation Requirements**

Graduation requirements for Shanghai Livingston American School include attendance, completion of required courses (or their equivalents) with passing grades, and in the case of ESL students attempting the diploma, a score of not less than 65% on the Level 3 ESL exam.

### **Transcripts**

Shanghai Livingston American School students will receive a high school transcript for courses completed at SLAS. It is the student's responsibility to obtain transcripts from previous school(s) for all courses taken prior to entering SLAS. In previous years students were able to pass a course due to a hard average of the class grade. Going forward SLAS will no longer allow students to use hard average to pass the course. Students must receive a 65% or higher in each semester to successfully complete the course.

## Programs of Study

**Advanced Studies Diploma** – an advanced academic program which meets the requirements for the SLAS Diploma and can also lead students to Advanced Placement credits. Requirements for the Advanced Studies Diploma exceed those set for the SLAS Diploma and do not impact a student’s ability to earn the SLAS Diploma.

**SLAS Diploma** – a program of study requiring a minimum of 26 course credits. Completion of this program is signified by a High School Diploma with the endorsement of the Western Association of Schools and Colleges.

## GRADING

Shanghai Livingston American School provides grades in four marking periods each year. The semester grade is considered the final grade for each semester. Students receive two semester grades for year-long courses. To recognize the extra effort put into AP and Honors courses, SLAS awards an extra additional 0.75 for each AP course in which a student earns a class grade of at least 70%. This weighted credit is reflected in a student's grade point average, not in the course grade itself.

Grade point averages (GPAs) are calculated by averaging the total quality points earned for all courses, excluding credit transferred to SLAS from other schools. Quality points are awarded as indicated below:

Letter Grade	Percent Grade	Weighted Points (Quality Points)	Weighted Points (Honors)	Weighted Points (AP)
A+	97-100%	4.000	4.500	4.750
A	93-96%	4.000	4.500	4.750
A-	90-92%	3.667	4.167	4.417
B+	87-89%	3.333	3.833	4.083
B	83-86%	3.000	3.500	3.750
B-	80-82%	2.667	3.167	3.417
C+	77-79%	2.333	2.833	3.083
C	73-76%	2.00	2.500	2.750
C-	70-72%	1.677	2.167	2.417
D+	67-69%	1.333	1.333	1.583
D	65-66%	1.000	1.000	1.250
F	Below 65%	-	-	-

## SLAS GRADING SCALE

Please refer to the teacher's syllabus for specific details regarding the weight of assignments, projects, quizzes and tests. Quarter grades are 80% of the final grade. Final exams are weighted as 20% of the final semester grade. Only seniors may be exempt from the semester 2 final exam if they have a 93 or higher. Students who are enrolled in AP courses will not have a final exam in semester 2.

### **Class Rank / Top Ten Percent / Highest Ranking Student**

Rank in class is based on a weighted grading system. Eligible courses for the computation of rank include all courses taken for state credit in grades 9-12. Courses taken for state credit in summer or evening school, as well as approved correspondence and college courses taken for high school credit will count toward class rank.

Credit earned through credit-by-exam, with or without prior instruction, does not count toward rank in class. Rank points are awarded based on semester grades. For each student, rank points for each semester courses are sorted in descending order. Rank in classes computed by totaling the weighted rank points of eligible courses representing the highest twenty-four credits taken and earned in grades 9-12 for details.

**Course weights are assigned to SLAS approved courses as follows:**

Course	Weight
Advanced Placement/International Baccalaureate	9
Pre-AP/Pre-IB/Dual Credit*	8
Regular Education/ESOL	7
Remedial Education/Special Education	6
Below 65 in any course	0

To obtain rank points, the semester grade in each course is multiplied by the course weight. For example, a student earns a grade of 92 in English I class for the fall semester. Since English is a regular education course, the student earns 644 points ( $92 \times 7 = 644$ ) for the semester class. Rank is calculated at the end of each semester beginning with the first semester of the junior year. The first calculation is based on the highest 15 credits. At the end of the junior year, rank is calculated based on the highest 18 credits. First semester senior rank is calculated on the highest 21 credits and the final rank is calculated on the highest 24 credits.

## **Valedictorian and Salutatorian (Highest Ranking Students)**

Students must be enrolled in their graduating school the last four semesters prior to graduation, exclusive of summer and evening school, in order to be considered for valedictorian or salutatorian. Valedictorian and salutatorian shall be those eligible students completing the Recommended High School Diploma Program or Advanced Diploma Program with the highest and second highest class rank in each high school. The graduating school must award every nine weeks grade in the final four semesters. Students entering after the third week of the first six weeks of the initial semester will not be eligible for consideration.

## **CLASS SCHEDULES**

Many hours go into the planning of student and school schedules. Course offerings and teacher assignments are based on the choices students make during spring scheduling each year. Nevertheless, some schedule adjustments are necessary due to courses having been taken in summer school, omission of a required course, course conflicts, or other circumstances that warrant a schedule change. The school will make every effort to place each student in the classes indicated on the student's choice sheet. Student requests for changes other than meeting graduation requirements or correcting an error will not be approved, and no schedule change will be made after the first ten days of each semester except at the direction of the principal. In accordance with State Board curriculum requirements, students in grades 9-12 shall be scheduled for a full day of classes, including a minimum of 2 1/2 graduation units or five credit-earning courses per semester, plus PE or equivalent and Heath. With parent approval and signature, seniors who have passed all sections of the exit exam and will complete graduation requirements with less than five credit earning courses per semester may modify their course schedule, but to no less than 1/2 day of instruction daily, under the following conditions:

1. The student is enrolled in post-secondary courses being taken on a college / technical school campus (courses may or may not be for dual credit), or
2. The student is employed for more than 20 hours per week, or
3. The student has parenting responsibilities, or
4. Other circumstances as approved by the principal, and
5. The student arrives late or leaves early and does not remain on campus when other students are in classes. Courses are to be scheduled consecutively, without allowing students to leave and return to the campus on the same day.

## COLLEGE CREDIT COURSES

SLAS students are offered several opportunities to earn college credit for courses taken while still in high school. Opportunities include the following:

The College Board Advanced Placement Program: Students may enroll in a variety of Advanced Placement (AP) courses during grades 9-12. Each spring, students are encouraged to take the AP examination for the course(s) taken during the year. Colleges and universities award credit based on the score earned on each exam. Scores required for credit vary from college to college.

### **Attendance for Credit**

To receive credit or a final grade in a class, a student in kindergarten-grade12 must attend at least 90 percent of the days the class is offered. A student who attends at least 75 percent but fewer than 90 percent of the days the class is offered and earns a passing grade, may receive credit or a final grade for the class if the student completes a plan approved by the principal that provides for the student to fulfill the instructional requirements for the class. If a student is involved in a criminal or juvenile court proceeding, the approval of the judge presiding over the case is also required before the student receives credit or a final grade for the class.

If a student attends less than 75 percent of the days a class is offered or has not completed a plan approved by the Head of Schools, then the student will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit or a final grade lost because of absences.

If the student fails to successfully complete the principal's plan or when a student's attendance drops below 75 percent of the days the class is offered and earns a passing grade, the student, parent, or representative, may request award of credit by submitting a written petition to the attendance committee. The petition may be filed immediately but no later than 30 days after the last day of the first semester or the last day of the school year of the second semester for secondary schools.

The actual number of days a student must be in attendance in order to receive class credit will depend on the number of instructional days and whether the class is for a full semester (secondary) or for a full year (most elementary and middle school classes).

# PROMOTION AND RETENTION

## Grades K - 8

Promotion is based on mastery of the curriculum. Expectations and standards for mastery are established for each grade level, content area, and are coordinated with compensatory/accelerated services. Kinder through first grade students are considered for retention if mastery of grade-level objectives is not reflected by assessment methods, especially in language arts and mathematics. In grades 2-8, promotion to the next grade level is based on an overall average of 65 on a scale of 100 based upon course-level, grade-level standards for all subject areas and a grade of 70 or above in three of the following areas: language arts, mathematics, science, and social studies.

Any student in grades 1-8 who does not meet the criteria outlined above for promotion to the next grade level may attend extended-year program(s) provided by the school in applicable content areas. Students who attend at least 90% of the extended-year program days in the applicable content area(s) will be promoted to the next grade level at the beginning of the school year, on the basis of academic achievement or demonstrated proficiency of the subject matter of the course or grade level. Retention of students is not shown to be an effective strategy for improving student achievement. The school and individual campuses have established procedures designed to reduce the numbers of students retained. A parent, however, may present a written request to the school principal asking that the student not be promoted.

Any student who attends optional extended-year programs with the required 90 percent attendance rate and meets the academic achievement requirements but still experiences difficulty or is defined as at-risk will be required to participate the following year in additional strategic intervention strategies/programs designed to provide accelerated instructional services. In assessing students who are speakers of languages other than English for mastery of essential knowledge and skills, the school will be flexible in determining methods to allow the students to demonstrate knowledge or competency independent of their English language skills.

High school students are promoted/retained according to semesters completed and the number of state credits earned in grades 9-12. Classification is based on the following:

<b>Grade 10 (Sophomore)</b>	6 or more credits and two full semesters in grades 9-12
<b>Grade 11 (Junior)</b>	12 or more credits and four full semesters in grades 9-12
<b>Grade 12 (Senior)</b>	19 or more credits and five or more full semesters in grades 9-12

Classification is established at the beginning of the fall semester only. Exceptions are made for junior students who become eligible for spring graduation on the basis of credits earned during the fall semester.

The Head of Schools is responsible for the classification of students. Information regarding promotion/retention is found in Policy EIE (LOCAL).

## **SUMMER SCHOOL/EXTENDED YEAR PROGRAMS**

### **Grades K-8**

Any student in grades K–8 who does not meet the criteria for promotion to the next grade level may attend extended year program(s) provided by the school in applicable content areas. A student who attends at least 90 percent of the extended year program days in the applicable content area(s) shall be promoted to the next grade level at the beginning of the school year but only on the basis of academic achievement or demonstrated proficiency of the subject matter of the course or grade level.

A student who has failed three foundation courses may attend summer school and shall be eligible for promotion if his or her summer school grades enable him or her to meet the promotion criteria. A student who attends 90 percent of the summer school session in one or two failed foundation courses may be exempted from the mandatory accelerated instruction program. A student who has failed more than three foundation courses may attend summer school if he or she so chooses but shall not be eligible for promotion.

### **Grades 9-12**

Summer school/extended year courses are available to students in grades 9-12. Each year prior to the dates scheduled for summer registration, counselors distribute information regarding locations, course offerings, tuition, and dates for the summer program may take courses to recover credit for one-semester or two semesters.

The parents or guardians of each student who has not successfully completed a subject or course for any semester shall be notified by the school as soon as practical of any available summer program that may permit the student to successfully complete the failed subjects or courses.

- ✓ Courses will be offered depending upon sufficient enrollment. (5 students per course) and “highly qualified” teacher availability.
- ✓ Students may take up to two full year courses.
- ✓ Two credits are the maximum number that can be earned during the summer.

- ✓ Students may take courses to gain (advance) or recover credit for one-semester courses.
- ✓ Student progress shall be evaluated according to the

same standards as those used during the regular term. All school policies and guidelines are in effect during the summer school program.

## **English Language Development (ELD)**

A student may be eligible to receive specialized language support if his or her primary language is not English, and the student is identified as limited English proficient. If the student meets eligibility criteria administration will determine the types of services the student needs, including language accommodations related to classroom instruction and local assessments. This is provided through ELD classes taught by ELD teachers. In addition, there are opportunities for the ELD teachers to also work with the students within the regular classroom.

At the beginning levels, the ELD program concentrates on equipping students with the vocabulary and structures for meeting immediate school needs and assisting in the settling process. As students gain confidence, they move onto broader themes designed to develop speaking, listening, reading, and writing skills to level that will enable them to participate effectively in all regular classroom lessons, especially Language Arts. Students with limited English proficiency, or transferring from non-English speaking schools, will be tested for placement in the ELD program. ELD classes are required for any student in 6-12 grade whose oral and written language is not sufficient to function satisfactorily in academic subjects.

## **ACADEMIC PROBATION**

Students who continue to fail to meet minimum academic standards by SLAS will be placed on academic probation. The purpose of academic probation is to provide motivation for students to seek the assistance they need. Students placed on academic probation are reviewed at each marking period. Students who fail to meet designated academic criteria may be requested to pursue their educational careers in an institution other than SLAS. Any student receiving two grades of F or three or more grades of D+ or D will automatically be placed on academic probation through the subsequent marking period. Students on academic probation will have the following conditions imposed:

1. Enrollment contingent on significant improvement in grades, attendance, and/or attitude.

2. Loss of participation in optional extracurricular activities such as sports teams or dances.
3. Mandatory attendance at weekly study sessions.
4. Intensive monitoring by SLAS faculty to include daily assignment and class notebook checks.

## **CLASSROOM VISITS**

Parents and/or guardians wishing to visit a classroom during instruction or for a conference must make arrangements in advance with the principal and/or teacher. Please obtain a visitor's pass in the front entrance of the building. An ID is required.

## **COMMUNICATION/NEWSLETTERS**

We strive to maintain strong communication between home and school. With many social media and electronic venues available we utilize them to capitalize on the need of our stakeholders. We will be providing a newsletter weekly with pertinent information and dates of events. If you are able to receive it by email we can send it or if you would like a copy we will have a printed copy available in the Admissions Office Room 109. Always check our school website page for constant updates. If you have questions or concerns email us at [www.info@laschina.org](mailto:www.info@laschina.org)

## **CHANGE OF CONTACT INFORMATION**

Please advise the school office of any change of address as soon as you can. One simple change of address can set a complex chain of route changes into motion for the bus system, and it may take more than just a day or two to confirm new pick-up times. We use email as a primary means of communication, so please make sure we have the correct address on file in the main office.

It is absolutely essential that the school have accurate phone numbers, emergency contact information, and email addresses for all children!

## **EMERGENCY MEDICAL TREATMENT**

If a student has a medical emergency at school or a school-related activity when the parent cannot be reached, the school will need to have written parental consent to obtain emergency medical treatment and information about allergies to medications, etc. Therefore, parents are asked each year to complete an insurance form and

Emergency Contact form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the guidance office to update any information.

## **LIBRARY**

The library is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure.

Your child can check out books from the school library and you are responsible in case your child does not return or loses the books. Fines will apply and you will be notified. In the event that a book is damaged or lost, the librarian will impose a fine. The librarian is always available to review the details in case you have questions. The damaged / lost fine for soft cover books is 100 RMB. The damaged / lost fine for hard cover books is 200 RMB.

## **PTA**

Join us in collaborating as a school community and become a member of PTA. It takes all of us to provide the best learning environment for our students. Periodically our PTA will conduct fundraisers along with the school in order to provide additional financial support for academic needs. Your support is greatly appreciated.

## **STUDENT OR PARENT CONCERNS**

Usually student or parent concerns can be addressed simply—by a phone call or a conference with the teacher. We invite you to stay in contact with the teacher at all times. Teachers are available to meet with you during their conference time. Teachers can meet with you before and after school if both of you are in agreement. We want to continue to promote a strong school-home relationship. Should your concern not be resolved to your satisfaction please contact the School Principal.

In general, the student or parent should submit a written complaint and request a conference with the Assistant Principal.

## **Requesting Professional Qualifications of Teachers and Staff**

You may request information about your child's teachers' state qualifications, license status, degree major(s), and certification of undergraduate and graduate degrees,

including fields of study. You also have the right to request information about the qualifications of any paraprofessional who provides services to your child. This information may be obtained by making a request to the Head of Schools.

## **TEXTBOOKS**

Books are tools; they are expensive tools. To assist students with the expense of having the necessary books for their education, the *Shanghai Livingston American School* has purchased textbooks for student use. It is the student's responsibility to see that the textbooks are not damaged or lost.

Lost books must be paid for before a permanent replacement can be issued. Students are also responsible for paying for any damaged books that are issued to them.

## **HOME WORK CLUB**

Home work is an important part of overall academic success, consequently, we have instituted a plan we refer to as "Home Work Club." Home Work Club is for those students who choose not to complete assignments or who are not being successful academically. Students will report for one hour after school to complete late assignments. Failure to report to Home Work Club will result in an added day in addition to making up the day missed.

## **BACK TO SCHOOL BASH & INTERNATIONAL FESTIVAL**

All students and families are required to attend and participate in these two school wide events. These two events are held annually with the intention of building school community among all families and staff members. We request that each family participate in as many games as possible at the events to build school spirit among the assigned houses. Student's who do not attend will be marked absent. Both days count as a part of our school calendar assigned days.

## **COMMUNITY SERVICE GRADES 6-12**

Students in grades 6-12 are required to earn a minimum of 25 hours of community service per year as a part of their learning experience at SLAS. The guidance office is available to provide support in finding appropriate service opportunities. Community Service completion is notated on the transcript and report card yearly.

## FIRE DRILL AND EVACUATION PROCEDURES

Evacuation drills are vital in order to ensure the safety of the students entrusted to the school's care. At least three drills will be held annually. The cooperation of all adults on campus is needed and will be appreciated. Teachers will review these procedures and the evacuation routes (available from facilities) with their classes and stress the seriousness of emergency evacuation drills. Teachers are to ensure that an evacuation map is posted in their classrooms.

- In the case of a fire, the office will call the fire department and notify the local education authorities.
- Silence must be maintained during the evacuation. Teachers are responsible for reminding students to be quiet.
- A secretary will remain on the switchboard unless there is an evacuation of the school. Everyone else on campus, including parents and other guests, will participate in the evacuation drill.

## FIELD TRIPS

Field trips are an important part of our school program. Field trip goals include exposure to the culture and geography of this country and learning experiences for the students. All class/grade members are encouraged to participate in field trips. Assignments and supervision for non-participating students will be the responsibility of teachers. PERMISSION FORMS: Details of the trip and its justification will be sent via a letter from the sponsoring teacher or from the principal. This letter will include a permission form which must be signed by the parent and returned to the teacher if the student is to participate in the trip. The school uniform is required on field trips unless expressly indicated otherwise on the permission slip. SLAS expectations and understood codes of behavior are in effect on all field trips, just as they would be on the campus.

The school will provide transportation for approved local trips in the general Shanghai area. Parents will pay all entry fees or other related costs necessary for their child to attend the field trip. All field trips are tied to curricular and grade level goals.

## BUS TRANSPORTATION

Shanghai Livingston American School, through a contracted bus service, provides bus service to many parts of Shanghai and Pudong. The school reserves the right to refuse service to any part of the city which is impractical because of its location relative to other pick-up points. In the event a school bus is not available to your area, you will be offered the option of a private car at an added expense without a bus teacher. The school also

reserves the right to suspend or remove students from the bus service should they not adhere to the rules.

## Rules of Conduct for School Transportation

- The school offers a bus service as an option for those who desire transport to and from school.
- Parents are asked to review with students the regulations governing the bus service. Students who do not adhere to these rules are subject to suspension and ultimately expulsion from the bus service.
- Misconduct on the buses will be reported by the Bus Monitor, a student, or a parent to the Office, and may also be reported to the Principal.
- Of primary concern to parents and the school administration is the safety of each child. Rude or disruptive behavior which might distract the driver cannot be tolerated.

***THE BASIC RULE: There is one basic rule which supersedes all others in importance and simplicity - REMAIN IN YOUR SEAT WITH THE SEAT BELT FASTENED AND DO NOTHING WHICH MIGHT DISTRACT THE DRIVER.***

The basic rule can be expanded upon as follows:

- Remain in your seat. All movement on a moving bus is forbidden.
- Seat belts must be worn at all times. (If you follow this rule, it will be easy to avoid breaking rule #1!)
- Do not do anything which might distract your driver. The actions which might distract the driver include the following:
  - ✓ Loud noises.
  - ✓ Throwing any item inside the bus.
  - ✓ Fighting or otherwise inappropriate behavior.
- Music shall not be played on the bus, either via the van's radio / cassette, or via your own device UNLESS it is a personal iPod- type appliance which will not bother others.
- Eating and drinking are not permitted on the bus.
- Windows stay closed at all times (unless there is a breakdown in the AC). No purchase from or communication of any kind with street vendors or other pedestrians is allowed.
- In order to minimize distraction to the driver, students are requested to leave the front seats vacant unless there is no other seat available in the

rear. If no space is available, only older children can sit in the front, as they are less likely to distract the driver. Younger students are required to sit nearest to the bus monitor and the door of the bus.

- The bus driver is the “Captain of the Ship”. His/her primary responsibility is the safety of the passengers. Children must be respectful towards and obey any requests made by the driver and the bus monitor.
- If there is an accident or the van breaks down, students should listen for instruction from the driver or monitor. If you are told to leave the van, stay together with the other students as far from the road as possible until a service vehicle and another van arrives. The preceding nine rules, and of course, The Basic Rule, are the ones we are most concerned with as they affect safety. Here are a few additional rules, which are more procedural in nature.

**Be on time.** The driver will not wait after the scheduled pickup time. After that, the driver has been instructed to leave as scheduled. If your bus is often late or very early, please report this to the transportation coordinator so that the driver can be reminded to move along to the next house on schedule. Also, please check with the office if there is any doubt about your pick-up time. If your bus comes too early, it will wait until your scheduled pick-up time, but check to make sure of that time.

Schedules change every time a new student is added to the bus system! If your bus does not arrive, please telephone the bus teacher to see if it is simply late. Please understand that the drivers cannot control unusual traffic conditions such as weather, road work, or accidents. If the bus has missed your house due to a substitute driver unfamiliar with the route or some such reason, the office can make other arrangements to come and collect your child. Due to limited space, you may not join a different bus than your regular scheduled bus.

## BUS DISCIPLINE

Students shall obey the rules of conduct while on a school bus, as well as established safety rules and regulations. Students shall not delay the bus schedule, damage the bus, distract the driver, or get off at an unauthorized stop. Riding a bus is a privilege. A rider who fails to follow the rules may have his/her riding privileges removed.

## ATTENDANCE POLICY

There is no substitute for the uninterrupted personal contact between teachers and students in a classroom environment where learning experiences are carefully planned. Students are expected to attend all classes every day. Students who miss greater than 8

classes in one subject per semester may forfeit credit for that semester and will be required to attend summer school in order to receive credit for the course. Any student failing to complete the required summer school class will forfeit credit for that subject. Students with excused absences are expected to make arrangements (beforehand when possible) with their teachers to make up all assignments and assessments. A maximum of one day per absence will be granted to complete missed assignments once they resume attendance to class. Work completed after this time may be denied credit. Students missing class for unexcused reasons may receive zero (0) credit for any missed work. When a student is absent:

1.	All class work missed due to absences will be made up.
2.	Make-up time, if needed for class work, will be scheduled by the teachers and/or administration.
3.	A student will be given one absence when he/she has accumulated four (4) tardies.

Steps to Follow When Absent

1.	Have parent/guardian call the school prior to 8:00 a.m. on the day of the absence.
2.	If a call is not received, the school will attempt to contact the parent/guardian at home or work.
3.	Upon return to school, bring a signed note from a doctor, parent/guardian, etc. giving your name, date(s) of absence(s), and a specific reason for the absence(s).  Present this note when you check in and you will be issued a class admit slip.
4.	Present this admit slip to each teacher.
5.	It is your responsibility to ask teachers for make-up assignments.

TARDIES

Number of Tardies	Actions
1	Warning
2	Referral to After-School or Lunch Detention
3	Referral to After-School or Lunch Detention Teacher Contacts Parent

4	Count as absence Referral to After-School or Lunch Detention
5	Meeting with Parents Administrator Discretion

Students who check-in late to school without a valid excuse (a note or call from a parent with a valid reason for the tardy) will be sent to class with a tardy pass.

### **Tardy/Check-In Policy to School**

It is the student's job and responsibility to be in class on time. Students should be where they are supposed to be and doing what they are supposed to be doing at all times. Any student not in their assigned classroom at the tardy bell (without a note from the office or a pass) will be tardy. In order to protect the value of the instructional block; students should be in their seats when the tardy bell rings.

## **EXTRACURRICULAR ATTENDANCE REQUIREMENTS**

SECONDARY SCHOOL  
BEHAVIOR MANAGEMENT POLICY

Definition:

It is a primary aim of our school that every member of the school community feels valued and respected, and that each person is treated fairly. We are a caring community, whose values are built on mutual trust and respect for all.

The school's behavior policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment in which everyone feels happy, safe and secure. Active behavior management endeavors, to instill a sense of responsible behavior, occurs when clear and consistent expectations and consequences are in shared partnership with home and school.

Rationale:

Students can learn from the earliest age how to behave appropriately in any given situation. This learning is a vital part of their personal, social and emotional development. Shanghai Livingston American School, in the development and safety of all its students, has high expectations of each individual child and his/her behavior.

**Values:**

We here at Shanghai Livingston American School hold these values with the utmost regard: Responsibility, Empathy, Assertiveness, Cooperation, Honesty, Dignity, Respect, Compassion, Understanding and Self-Worth.

**Policy Statement:**

All behavior is purposeful and has consequences. Appropriate behavior is an expectation. All students have the right to learn and work in a secure, empowering, success-orientated environment and should feel safe, confident and supported. Any student not following the rules by being unsafe or disruptive is taking away from not only their own education but the education of their peers as well. Taking responsibility for behavior builds respect, self- worth and builds a positive happy environment, which reflects Shanghai Livingston American School's standards.

**DETENTION**

Depending on the offense, students may receive a lunch or after school detention. It will be the responsibility of the student and parent to arrange transportation home for after school detention.

**OUT-OF-SCHOOL SUSPENSION**

Depending on the offense, out-of-school suspensions (OSS) are for 1 to 10 days. Expulsion is possible for certain offenses. Any student suspended must arrange a parent conference with the Principal or an Assistant Principal before returning to school. Students may not be on school property during the suspension period nor may they participate in any school-related activity during this period such as athletics, school dances, etc. Students who are suspended may make up their academic work as stated in the make-up policy.

**IN- SCHOOL SUSPENSION (ISS)**

Depending on the offense, in-school suspension (ISS) are for 1 to 5 days. All students will report to the assistant principal during the day's assigned in-school suspension (ISS). Students will be placed in a designated room to do school work. All students will be removed from normal routines and school activities during in-school suspension (ISS). Failure to attend in-school suspension (ISS) or refusal to cooperate while attending in-school suspension will result in an automatic Out of School Suspension.

## **SATURDAY SCHOOL**

Depending on the offense, Saturday school may be given rather than OSS. Saturday school will be mandatory and will be from 9:00 a.m. – 3:00 p.m. Failure to attend Saturday school or refusal to cooperate while attending Saturday school will result in an automatic Out of School Suspension for the following week.

## STUDENT USE OF TECHNOLOGY – ACCEPTABLE USE AGREEMENT

The mission of Shanghai Livingston American School is to provide students with an exceptional learning experience that focuses on intellectual, physical, cultural, and social development. By utilizing a balanced approach that stresses independent thinking, problem solving, collaboration, and experimentation we encourage our students to fully realize their scholarly potentials.

### **Rights & Responsibilities:**

SLAS will be connected to the Internet through the SLAS Server. This connection will provide access to local national and international sources of information and collaboration vital to intellectual inquiry in a school. In return for this access, every Digital Library and technology user has the responsibility to respect and protect the rights of every other user in our community and on the Internet. Students are expected to act in a responsible, ethical and legal manner, in accordance with SLAS rules, the missions and purposes of the other networks they use on the Internet, and the laws of the United States and China.

### **SLAS Internet Code of Conduct:**

The Internet Code of Conduct applies to all users of the SLAS network. It reads: “I will strive to act in all situations with honesty, integrity, and respect for the rights of others and to help others to behave in a similar fashion. I will make a conscious effort to be of service to others and to the community. I agree to follow the access, usage, and content rules as stated below.” Users are restricted from:

1. Using the network for any illegal activity, including violation of copyright or other contracts.
2. Using the network for financial or commercial gain.
3. Degrading or disrupting equipment, software or system performance.
4. Vandalizing the data of another user.
5. Wastefully using finite resources.
6. Gaining unauthorized access to resources or entities.
7. Invading the privacy of individuals.
8. Use of an account owned by another user.
9. Posting personal communications without the original author’s consent.
10. Posting anonymous messages.
11. Downloading, storing or printing files or messages that are profane, obscene, or that use language that offends or tends to degrade others.

12. Violating the Content Guidelines as outlined below.

### **Content Guidelines:**

Students will be allowed to produce materials for electronic publication on the Internet. Network administrators will monitor these materials to ensure compliance with content standards. The content of student materials is constrained by the following restrictions:

1. No personal information about a student will be allowed. This includes home telephone numbers and addresses, as well as information regarding the specific location of any student at any given time.
2. All student works must be signed with the student's full name.
3. Individuals in pictures, movies or sound recordings may be identified only by initials (e.g. JQP for John Q. Public). Absolutely no first or last names may appear in reference to individuals in any image, movie, or sound recording.
4. No text, image, movie or sound that contains pornography, profanity, obscenity, or language that offends or tends to degrade others will be allowed.
5. NETiquette - Users are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:
  - a. Be polite. Do not get abusive in your messages to others.

**SLAS Consent & Waiver Form:**

By signing the SLAS Acceptable Use Agreement, the requester and his/her parent(s) or guardian(s) agree to abide by the restrictions outlined in this Agreement policy. The student and his/her parent(s) or guardian(s) should discuss these rights and responsibilities. Ultimately, parent(s) and guardian(s) of minors are responsible for setting and conveying the standards that their child or ward should follow. To that end, SLAS supports and respects each family's right to decide whether or not to apply for Internet access.

The specific conditions and services being offered may change from time to time. SLAS makes no warranties with respect to Internet service or content. Further, the requester and his/her parent(s) or

guardian(s) should be aware that that SLAS does not have control of the information on the Internet, nor can it provide barriers to account holders accessing the full range of information available. Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. Similarly, while SLAS supports the privacy of electronic mail, account users must assume that this cannot be guaranteed. SLAS believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. We hope you and your student will join us on the Internet.

# TECHNOLOGY REGULATIONS AND POLICIES FOR COMPUTER LABS

## ELECTRONIC DEVICES AND TECHNOLOGY RESOURCES

### Possession and Use of Personal Telecommunications Devices, including Cellular Phones

For safety purposes, the school permits students to possess personal cellular phones; however, these devices must remain turned off during instructional class time, including all testing, unless they are being used for approved instructional purposes. A student must have approval to possess other telecommunication devices such as netbooks, laptops, tablets, or other personal computers.

The use of cellular phones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event. If a student uses a cellular phone without authorization during the school day, the device will be confiscated. The cellular phone may be picked up from the principal's office for a fee 25-100 RMB, depending on the number of times it has been confiscated. Confiscated telecommunications devices that are not retrieved by the student or the student's parents will be disposed of at the end of the school year.

In limited circumstances and in accordance with law, a student's personal

telecommunications device may be searched by authorized personnel.

Any disciplinary action will be in accordance with the *Student Code of Conduct*. The school will not be responsible for damaged, lost, or stolen telecommunication devices.

### Possession and Use of Other Personal Electronic Devices

Except as described below, students are not permitted to possess or use personal electronic devices such as MP3 players, video or audio recorders, DVD players, cameras, games, e-readers, or other electronic devices at school, unless prior permission has been obtained. Without such permission, teachers will collect the items and turn them in to the principal's office. The principal will determine whether to return items to students at the end of the day or to contact parents to pick up the items. In limited circumstances and in accordance with law, a student's personal electronic device may be searched by authorized personnel. Any disciplinary action will be in accordance with the *Student Code of Conduct*. The school will not be responsible for any damaged, lost, or stolen electronic device.

## **Instructional Use of Personal Telecommunications and Other Electronic Devices**

In some cases, students may find it beneficial or might be encouraged to use personal telecommunications or other personal electronic devices for instructional purposes while on campus. Students must obtain prior approval before using personal telecommunications or other personal electronic devices for instructional use. Students must also sign a user agreement that contains applicable rules for use (separate from this handbook). When students are not using the devices for approved instructional purposes, all devices must be turned off during instructional class time. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

## **Acceptable Use of School Technology Resources**

To prepare students for an increasingly technological society, the school has made an investment in the use of school-owned technology resources for instructional purposes; specific resources may be issued individually to students. Use of these technological resources, which include the school's network systems and use of school equipment, is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these school resources. Violations of the user may result in withdrawal of privileges and other disciplinary action. Students and

their parents should be aware that student access and use of the school network is monitored by school staff. All Internet access is filtered in accordance with regulations of People's Republic of China.

Efforts to bypass the school's filter or engage in unauthorized acts may result in withdrawal of privileges and other disciplinary action.

## **Unacceptable and Inappropriate Use of Technology Resources**

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition also applies to conduct on or off school property, regardless of whether the equipment used to send such messages is school or personally owned, if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as "sexting," will be disciplined according to the *Student Code of Conduct* and may, in certain circumstances, be reported to law enforcement.

## PERSONAL EQUIPMENT

### (Cell phones, other electronics)

For safety purposes, the School permits students to possess personal cellular phones and pagers. However, these devices must remain turned off during the instructional day, including during all testing, unless they are being used for approved instructional purposes. A student must have approval to possess other telecommunication devices such as netbooks, laptops, tablets or other personal computers.

School administrators have the discretion to determine the appropriate use of cellular phones during the instructional day and for students participating in extracurricular activities while on school property or while attending school-sponsored or school-related activities on or off school property. However, all cellular phones must be turned off during instructional class time. **The use of cellular phones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school sponsored event.**

The School is not liable for lost or stolen cell phones. All confiscated phones must be turned in to the Assistant Principal's office immediately, if possible, or as soon as practicable the day the phone is confiscated. All staff members must place confiscated cell phones in a secure location. Once the cell phone has been confiscated, the following procedure will be used to return the device:

1. The **first time** a cell phone is confiscated, it can be picked up by the student or parent no earlier than the following school day. An administrative fee of 25 RMB will be charged before the device can be returned.
2. The **second time** a cell phone is confiscated; it can be picked up by the student or parent no earlier than the end of school. An administrative fee of 50 RMB will be charged before the device can be returned. Parents will be notified that the student's device has been confiscated for the second time.
3. If a cell phone is confiscated a **third time**, it will be a lunch detention. An administrative fee of 75 RMB will be charged before the device can be returned.
4. If a cell phone is confiscated a **fourth time**, it will be a lunch detention. An administrative fee of 100 RMB will be charged before the device can be returned.
5. Any student refusing to give the device to school personnel will be subject to Level I disciplinary consequences.

Except as described below, students are not permitted to possess or use personal electronic devices such as MP3 players, video or audio recorders, DVD players, cameras, games, e-readers, or other electronic devices at school unless prior permission has been obtained. Without

such permission, teachers will collect the items and turn them in to the principal's office. The principal will determine whether to return items to students at the end of the day or to contact parents to pick up the items.

## **Discipline Procedures**

When a student exhibits disruptive behavior, the teachers are expected to implement and document the following:

- A. **1st offense:** Conference with the student in private. Explain the rule that was violated, what is expected to correct the student's behavior and what the consequences will be if another violation occurs.
- B. **2nd offense:** Call the student's parent(s)/guardian(s), explain the rule and provide a description of the student's behavior, explain the consequences of continued disruptive behavior.
- C. **3rd offense:** Request and hold a conference with student's parent(s)/guardian(s) to review the student's behavior and the consequences of continued rules violations.
- D. **4th offense:** Refer student to school Counselor or the Student Support Team (SST) for counseling or other appropriate action.
- E. **5th offense:** Refer student to the administration. If a student needs to be removed from class immediately, the administration or designee is to be contacted.

## SLAS ATHLETICS

### SLAS Mission Statement

Shanghai Livingston American School has developed an interscholastic athletic program with educational value for all middle and high school students. It focuses on the development of self-esteem and individual skills as well as fostering an atmosphere of teamwork, citizenship, and sportsmanship. In addition, we believe our athletic program emphasizes discipline, leadership, respect, loyalty, and cooperation. The athletic program does emphasize lifelong activities where participation by as many students as possible is a goal. **Our program strives to be both, competitive at the high school level, as well as, developmental, supportive, and equitable at the middle school level.** Winning is neither the most important nor only outcome desired of the program but does have a greater focus at the high school level. SLAS has set high goals and standards and all personnel and students are encouraged to strive to achieve them while maintaining a proper perspective on sports, education, and life.

## **Athletics Participation Requirements**

The requirements for participation are the student must be a bona fide student fully registered as such with Shanghai Livingston American School.

Each student must follow, adhere and abide by the regulations set forth by the Shanghai Livingston American School Student Code of Conduct.

Each student must provide a parental consent to participate in athletics. Additionally, an accompanying waiver of liability must also be provided - in case of accidental injury due to their participation, whether on campus, in transit, or off-campus at another area international school.

## **Student Athlete Academic Eligibility**

The primary focus for all student-athletes is their work in the area of academics. All students must maintain satisfactory progress to remain eligible to participate in after school athletics. Per the student handbook, a student may not be eligible with more than 1 failing grade or below a 2.0 grade point average for a quarterly interim report or report card period. Additionally, any student cutting a class, arriving late to school (unexcused), in detention, ISS, or OSS may not participate in practice or games on that day.

Students that have eligibility to participate but also have assigned after-school homework club for their core-subject studies are required to forego practice sessions for homework club, but not actual league games. The effect of having to attend homework club prevents an eligible student from going to practices after school, but not team games. This rule is in place because the absence of a student for a game can affect our school's ability to put a team on the court/field for an already scheduled game with another school. As a member school to our athletic conferences, we have a responsibility to the leagues, the other participating schools, and to the other participating students to never forfeit or simply not show up to events.

Once sports seasons begin, participating students will have to do weekly updates during the season with their core-subject teachers regarding their classroom progress. Teachers will evaluate and sign-off on the student's progress as satisfactory (passing 75% or above), cautionary (70-74%), or currently failing (Below 70%). Even though a student is eligible to participate per the above handbook rules, we will endeavor to assist the students with additional class support through the network of teacher assistants, classroom peers, and even the subject teachers in order to try to maintain eligibility throughout the season and grading periods for those that are in the cautionary or failing stage mid-season.

Try Outs and Selection of Teams

As an athletic department, we try to keep as many students on our teams as possible. The leagues we participate in often determine maximum quantity of players as well as age/grade levels of a team. Unfortunately, some teams have been forced to make “selections” or “cuts”. This is a decision that is one of the most difficult decisions a coach must make. While skill factors are often used in this procedure, coaches will also subjectively look at a student’s ability to positively contribute to a team and/or the possible academic deficiencies of a student prior to the “selection” process when making the final determination.

Shanghai Livingston American School can apply for an age waiver for those students above the 18-year old limit (as of every September 1<sup>st</sup>) in high school athletics through a procedure within SISAC. SLAS is also open to middle school students “stepping up” and participating in high school athletics if it is determined that the student’s contribution and skill levels will benefit both the team and the individual while also not having an increased risk (other than considered normal within sports) of injury.

Practice Sessions

Generally, practice sessions for all sports are held from 3:45–5:00 pm, weekdays after school. As our school does not have an indoor gymnasium, most practices are outdoors regardless of weather. Coaches have the ability to determine if the weather would prohibit a successful practice. This is usually done in heavy rains, snow, thunderstorms, or freezing temperatures. Being a member of a team is a responsibility to not only the coach, but also to teammates, the league, and its other league teams. As a team member, students have the individual responsibility to attend all scheduled practice sessions. If you must miss a scheduled practice (or a league event or game), it is the student’s responsibility to give prior notice to your coach, preferably in writing (via text message, e-mail, etc.) and with a 24-hour notice. Failure to do so may result in disciplinary action by the coach. Interscholastic athletics are an extension of the physical education curriculum. Participating in after-school athletics is a privilege, not a right. If you are not prepared to be a part of the family of SLAS Wildcats athletics under these rules, you should not join a school team.

SLAS Athletics Schedule

High School SISAC Teams/Events	Middle School CISSA Teams/Events
1st SEMESTER	1st SEMESTER
Volleyball	Soccer
Cross Country	Cross Country

Tennis Basketball Table Tennis	Table Tennis
<b>2nd SEMESTER</b> Soccer Track & Field Badminton	<b>2nd SEMESTER</b> Volleyball Badminton Basketball Track & Field

With enough future interest, we will consider adding new activities such as MS Touch Rugby, HS/MS Swimming, and even exhibition games in HS Boys Baseball.

CISSA Middle School teams are sometimes divided by Senior division (G7/8) and Junior division (G5/6) when there are enough interested students.

With demand growing for MS Tennis, CISSA is considering adding an event similar to table tennis and badminton at some point in the calendar. Since this is not agreed upon by member schools for the calendar year, we can only hope to have some friendly competition at some point during the school year for interested students.

## **History Of Success For SLAS Athletics!**

In the spring of 2008, then Athletic Director, Travis Washko successfully entered the first ever SLAS team into friendly exhibitions in soccer against the West Division schools of SISAC Division 2. SLAS began with a 5-5 draw versus Shanghai Rego International School on February 28, 2008. That SLAS team went on to post a 6-1-1 record including a 1-0 win versus the eventual league champions, the Deutsch School of Shanghai. Our 3-year probationary member status in SISAC had begun.

## Off Campus Related Activities

It is recognized that many times, a student may have numerous additional commitments outside of those as a Shanghai Livingston American School student. Some of these may include outside club sports, other educational pursuits (including academies, testing – TOEFL, etc.), part-time employment, etc. **It is important that students and their parents understand that as a member of an interscholastic team, their primary commitment is to their Shanghai Livingston American School team.** Our coaches and Athletic Director will do what we can to accommodate reasonable requests to leave practices early or even miss one (if necessary), but **100% effort to attend all league scheduled games should be a priority and that off campus related activities as noted above, should be re-scheduled or simply missed to support your membership of our teams.**

## Sports Specialization

Shanghai Livingston American School encourages our students to play sports year-round. It has been our experience that a well-rounded athlete is one who can exhibit a variety of athletic skills which multi-sport involvement fosters. Students are encouraged to sign up to participate in any of a number of challenging activities, both team oriented and individual athletics.

## Family Vacations

When parents and student-athletes choose to take their family vacations during sports seasons, it must be understood that the time missed by the student will likely affect team chemistry and game preparation for all involved. At the high school level, family vacations or trips abroad for testing can negatively impact a team, not to mention may cause academic deficiencies for their schoolwork at SLAS. The school calendar, coaches, and even this document make every effort to inform parents and students of the season schedules as far in advance as possible. Please be considerate to your teammates and plan your vacations to not interfere with the team's posted schedules.

## **Responsibility For Uniforms And Equipment**

All team uniforms and school equipment must be returned to the coach at the end of the season, or when requested to do so. Students must pay a 200rmb fully refundable jersey security deposit to the SLAS Athletic Director for each uniform top. All students must also pay a 200rmb fee to purchase the PE uniform from the SLAS Finance Office if they do not have PE classes on their school schedule. The PE shorts are part of the team uniform and the T-shirt is the only shirt allowed under tank top jerseys. Students who lose equipment or uniforms will be billed for the replacement costs. In the case of lost uniforms, the difference in cost will be billed or taken from the deposit monies. Be aware that replacement costs of a team jersey or shorts can be very costly because of special order pricing with a vendor. Students who have not returned school issued equipment or uniforms will not be issued another during or in the next season until the previous uniform and/or compensation has been received. Payments must be made to the SLAS Athletic Director in cash. Receipts for replacement costs will be provided to the student once the special order arrives at school. If a student wishes to purchase a school uniform (customized or not), they can make this request with the Athletic Director for a special order to be placed, and at higher pricing per the vendor order. SLAS and/or the Athletic Director will not make any profit from sale or replacement costs of athletic uniforms.

## **Team, Coaches, Fans, And School Sportsmanship**

Be aware that some games and events are rated for sportsmanship by coaches and event officials. Ratings are collected after select games and events and discussed at league meetings when reviewing a season. Fortunately, we at SLAS have usually received good reports. It is important to maintain quality sportsmanship, even in the usually heated competition of high school sports. Fighting, abuse of officials, and/or poor language (no matter what language is used) is grounds for disciplinary action from the coach, SLAS Athletic Director, league, and Shanghai Livingston American School.

## **Returning To Participation Following An Injury**

You must report every injury or illness to your parent(s)/guardian(s) and to your coach. If you receive any medical attention for any injury or illness, you may not return to practice or games until you receive a written medical release from a doctor or health care facility where you were treated. The note must include the date of the injury/illness, a diagnosis, any restrictions and a date to return to participation. This must be supplied to your coach or the SLAS Athletic Director.

## Transportation

Student athletes will be transported to and from away contests and occasional practice sites by school authorized vehicles. Parents are not permitted to transport student's home from away contests without prior knowledge and approval of the coach on site. On practice days, there is a 5pm late bus the school provides for a nominal fee per use and must be negotiated with the SLAS Transportation Department and SLAS Financial Office. Away contests will always arrive later than the 5pm bus, so on these dates, students are given the choice of 3 locations to be dropped off at.

They are:

- In front of Shanghai Livingston American School on Ganxi Rd.
- One of the 4 Tianshan Rd. corner locations of Songhong Metro Line #2, or
- Near Gubei's Carrefour store, on Shuicheng Rd.

Parents must be aware that all **middle school weekday away games will conclude at about 5pm** at the host school's campus. From most Puxi area schools, students should be at one of the 3 locations prior to 6pm for middle school students. This always depends on Shanghai area traffic of course. If a team is scheduled to play in Suzhou, generally another hour will be added to travel time. **For high school students, some games will conclude as late as 6:30, causing later arrivals.**

## PARENT-COACH COMMUNICATION/RELATIONSHIP

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each role, we are better able to accept the actions of the other and provide greater benefit to the student. As parents, when your children become involved in our program, you have the right to understand what expectations are placed upon your child. This begins with your clear understanding of all aspects of this handbook and is closely followed by clear communication from your child's coach.

### What You Should Expect from Your Child's Coach:

- Expectations the coach has for your child as well as all players on the team.
- Locations and times of all practices and games/events.
- Team requirements, team rules, special equipment to purchase.
- Procedure should your child be injured during participation.
- Discipline, that results in denial of your child's participation.

### **Communication Coaches Expect From Parents:**

- All concerns expressed directly to the coach at the earliest convenience.
- Notification of any schedule conflicts well in advance.

### **Appropriate Concerns to Discuss With Coaches:**

- Treatment of your child, mentally and/or physically.
- Ways to help your child improve.
- Concerns about your child's behavior.

### **Issues Not Appropriate To Discuss With Coaches:**

- Playing time
- Team strategy
- Play calling
- Other student-athletes

Coaches are making decisions that are in the best interest of all members of the team or the Shanghai Livingston American School athletic program. Please be supportive of their decisions.

### **Procedures For Discussing A Concern With A Coach**

1. Call to set-up an appointment to meet with the coach. You may elect to use one of the school's foreign language liaisons if you desire.
2. If you have difficulty arranging to meet a coach, you may elect to meet with the SLAS Athletic Director.
3. Please do not attempt to confront a coach before or after a practice or event. These can be emotional times and may not benefit either party to attempt to resolve concerns at this time. Additionally, the coach may have other academic issues to look after as a member of the school's teaching staff. Coaches also have their personal lives to attend to after events.
4. If you cannot resolve your concerns after a meeting with the coach, you may meet the Athletic Director and/or the SLAS Principal by arranging another meeting.

## ATHLETICS BEHAVIORAL CODE OF CONDUCT

Shanghai Livingston American School heartily embraces the stated missions of CISSA, SISAC, and ACAMIS.

### Behavior Violations

1. SLAS students are to avoid taking, selling, consuming any type of alcohol or drug not prescribed by a physician including cigarettes or tobacco products. This is further represented as the **Prohibited Chemicals Health Code of Conduct**. Students found in violation of this policy may be suspended from participation for the remainder of the academic calendar year.
2. SLAS students are not to engage in any behavior inside or outside the school that is illegal or an embarrassment to the team. Students that violate this clause are subject to the SLAS Student Code of Conduct and may be suspended or eliminated from athletic participation.
3. It is our goal at SLAS to learn and teach in a healthy, vibrant, and safe environment where all are valued, welcomed, and accepted. To that end, all adults are expected to: (1) To model acceptable behavior with other students and adults at all times. (2) To be diligent in identifying unacceptable behavior. (3) To bring to the attention of school officials those who violate these rules.

### What Does Unacceptable Behavior Look Like?

Specific examples/terms that we wish to prevent are found below. Please understand that some of these may belong to other categories of infractions/offenses. Additionally, this list is not fixed or complete. Here are some terms that we at Shanghai Livingston American School have discussed and identified as bullying, hazing, or harassment:

**Verbal Infractions:** Mocking, name called, coercion, taunting, negatively teasing, threats (verbal, written, or electronic).

**Physical Infractions:** Pushing, shoving, kicking, hitting, spitting, extortion, stalking, restraining, humiliating acts, defacing property, demeaning, use of violence or threats.

**Social Alienation and Shunning:** Gossiping, rumor spreading, ridicule, slurs (ethnic, religious, sexual orientation), social rejection, grudge carrying, threatening looks, public humiliation, and maliciously excluding.

*Students are asked to report all inappropriate actions to a teacher, coach, administrator or parent.*

*Instances that violate the Athletics Behavioral Code of Conduct are considered to be part of the school's Behavioral Code of Conduct in the Shanghai Livingston American School Student Handbook and thus, remediation is handled through the school's appropriate administrative channels outlined within that handbook.*

## ATHLETICS CONTRACT: PARENT

As a parent who is also committed to the education, maturity, and athletic success of your child, we encourage you to make a formal commitment as described below. Our partnership together will increase the likelihood of a successful season for Shanghai Livingston American School athletics, regardless of the final win/loss records of our teams.

### Parent's Commitment

I understand that as a parent I play a vital role in the development of my child's athletic ability and character, and therefore in the success of the Shanghai Livingston American School's Athletic Program. Recognizing this role, I therefore commit to the following as a parent of a student interested in participating in SLAS Athletics.

- i. Be a positive role model so that through my own actions I can help to make sure that my child has the best athletic experience possible.
- ii. Be a "Wildcats team" fan, not only a "my child" fan.
- iii. Weigh what my child says in any controversy, and work with coaches and/or the athletic department to gather all the facts before rushing to judgment.
- iv. Show respect for the opposing player, coaches, spectators, and support groups,
- v. Be respectful of all official's decisions.
- vi. Not instruct my child before or after a game, because it may conflict with the coach's plans and strategies.
- vii. Praise student-athletes in their attempts to improve themselves as students, as athletes, and as people.
- viii. Gain an understanding and appreciation for the rules of the sport within the convening leagues.
- ix. Recognize and show appreciation for an outstanding play by either team.
- x. Help my child learn that success is experience in the development of his/her skills, and that he/she can feel positive about their skill development during the season, regardless of the team's record.
- xi. Take time to talk to coaches in an appropriate manner, including proper time and place, if I have a concern. I will respect the coach by following the designated chain of command.
- xii. Support the alcohol, tobacco, and other drug-free policies of the school by refraining from the use of any such substances before, during, and immediately after athletic contests. I will also support my child and hold him/her accountable for their commitment to non-use of substances per the Prohibited Chemicals Health Code of Conduct, improper behavior inside and outside of school including hazing, harassment, and bullying as outlined in the Athletic Code.
- xiii. I understand and agree to provide for the financial commitment regarding responsibility for school uniforms and equipment used by my child.

- xiv. I fully understand the “Off campus related activities” section of this handbook and will try to accommodate the prioritization of SLAS team schedules wherever possible.
- xv. I will make every effort to communicate any scheduling conflicts as early as possible to assist the coach and team in their preparations for practices and games.
- xvi. I fully understand the transportation issues and accept the need to support my child for certain drop-off locations after away games/events.
- xvii. I fully understand that my child’s participation in athletics is 100% voluntary,
- xviii. I fully understand the fact that all sports and athletics have an inherent danger and may cause various forms of physical bodily injury and have approved my child’s participation and have freely signed the **SHANGHAI LIVINGSTON AMERICAN SCHOOL WAIVER SHEET, RELEASE, WAIVER, AND INDEMNITY AGREEMENT.**
